TIPS FOR A HEALTHY DIET

- ✓ Try low-fat milk in tea and coffee, and if you drink flavoured milk, try the low-fat variety, it has less calories.
- ✓ Try warm wholemeal bread rolls with your meals, as an alternative to high fat garlic or herb bread.
- ✓ Poach, boil or scramble your eggs rather than fry.
- ✓ Use water, wine, stock or vegetable juices, instead of browning foods in fat.
- ✓ Try whipped ricotta cheese with a little vanilla to replace whipped cream.
- ✓ Buy lean meat, trim all visible fat, and remove the skin from chicken.
- ✓ Bake and grill foods in preference to frying.
- ✓ If using oil, choose polyunsaturated or monounsaturated.
- ✓ Try evaporated skim milk or soy milk to replace cream in sauces.
- ✓ Leave the skin on your vegetables (where appropriate).
- ✓ Eat fresh fruit and raw vegetables as snack foods.
- ✓ Pack your own nutritious lunch each day, and save money!

- ii) A second Transfer may be permitted during the period December 1, 1995 to June 30, 1996, only when the Club to whom a player has transferred in that same season is willing to release the player and allow him a second transfer.
- iii) Any player who transfers from a National Soccer League Club to a Premier League, State League or Provisional League Club will not be permitted a second transfer within the transfer period and must remain as a registered player with such Premier League, State League or Provisional League Club until December 1, 1996.
- iv) The Board of Management will permit a transfer of any player wishing to transfer to a Club which participates in the National Youth League or in the Vic. Health Youth League prior to December 1, 1996, except to National Soccer League Clubs, unless such players have never previously been registered with a National Soccer League Club.

4.1.5 All Clubs transferring a player to another club shall be levied by the Federation for two percent (2%) of the amount received by that club for the players transfer.

4.1.6 Where an amalgamation/merger takes place between two Clubs no transfer form need be completed. The Identification Cards (Passports) of all players whom the club wishes to register for the 1996 Season shall be submitted to the Federation.

- 4.1.7** A) All disciplinary cautions incurred by players shall be carried forward if players are transferred to another club.
- B) All suspensions incurred by players shall be carried forward if players are transferred to another club.

- ii) The Federation shall have the same rights in respect of the Transfer of registration of all such Non-Amateur players, as such clubs had until the date of cessation.
- iii) The Federation will determine the compensation (Transfer Fee) applicable for the Transfer of such registration, although the player or Club to which the said Non Amateur player wishes to transfer, if dissatisfied with the amount of compensation, shall have the right to a Tribunal hearing to determine compensation payable to the Federation.

B) Any such fee derived by the Federation from such Transfers shall belong to the Federation and shall in order of priority be distributed in the following manner.

defunct or expelled Club.

- ii) To pay any outstanding monies owed to the players of the club declared defunct or expelled from the Federation.
- iii) To pay any monies outstanding to any Member Club or Affiliated Club.

4.2 NON AMATEUR PLAYER TRANSFERS

4.2.1 A Non Amateur player shall only be free to conclude a contract with another club if:-

- A) His contract with his present club has expired or will expire within six(6) months, there are no option provisions therein and seven(7) days have elapsed following his present Clubs final official fixture, or
- B) His contract with the present club has been rescinded by one party or the other for valid reasons; or
- C) His contract with his present Club has been mutually rescinded by both parties:

4.2.2 The player's new contract must include nothing which would interfere with the proper completion of his existing contract.

4.2.3 If a player wishes to enter into a new contract, with another Club, and satisfies the criteria set out in 4.2.1 above he is permitted to enter into only one new contract during that period.

Expiry of his existing contract shall mean the date the contract concludes and provided that there are no option provisions contained therein. Therefore if the Contract between a player and a Club has an option provision then the player is not free to conclude a contract with another club.

4.2.4 A player may not be transferred during the validity of his contract unless the three parties involved (the Club he is leaving, the player himself, the Club he is joining) all concur.

4.2.5 A Club wishing to engage the services of a Non-Amateur player shall, before commencing any negotiations with that player, be obliged to inform his present club in writing of its interest.

4.2.6 Any direct or indirect negotiations with the player, whether oral or written, violating the foregoing obligation shall incur such disciplinary measures as deemed appropriate by the Tribunal.

4.2.7 If a Non Amateur player concludes a contract with a new Club his former club shall be entitled to compensation for his training and development.

The amount of compensation shall be agreed upon between the two Clubs involved. Any agreement regarding compensation between a player and the Club which the player is leaving shall be invalid.

4.2.8 i) If there is any disagreement between the two clubs regarding the amount of compensation for training and development of a player it shall not affect his sporting or professional activities. The player shall therefore be free to play for the new club with which he has signed a

contract **PROVIDED THAT** all documentation required under 4.1.3 is lodged, save for the signature of the Club he is leaving on the Transfer Form, and a Federation permission to play certificate issued to the player.

- ii) Such documentation must be accompanied by a cheque made payable to the Federation for 50% of the amount offered as compensation by the Club who has signed the player.
- iii) Alternatively the player may seek a Tribunal hearing to determine compensation and await the outcome of that hearing before he completes the transfer to his new club.
- iv) A Club who acquires the services of a player in accordance with 4.2.8 i) above shall be bound to proceed with the Transfer and be liable for the payment of the Compensation Fee set by the Tribunal to obtain his services.
- v) If a Club is uncertain as to whether or not they will be able to meet the Compensation Fee to be set by the Tribunal they should await the outcome of the Tribunal hearing and not proceed with the procedures detailed under 4.2.8 i) and ii) above.

4.2.9 A dispute as to the amount of compensation for the player's training and development will be placed before the Victorian Soccer Federation Tribunal. The amount of such compensation which the Tribunal will determine the Club which the player is joining must pay his former Club must be paid in full within the time stipulated by the Tribunal.

4.2.10 The criteria upon which compensation for training and development shall be determined will be as follows:-

- i) Length of Service to the Club.
- ii) Amount of Compensation or Transfer Fee or Signing On Fee previously paid for the player.
- iii) The players standard on joining the Club.
- iv) The players present standard.
- v) The coaching provided by the Club.
- vi) Any representative honours or awards achieved by the player whilst with the club.
- vii) The number of appearances in various grades.
- viii) Periods of matches unavailable through injury or suspension.
- ix) The current market value of a replacement player of similar standard.
- x) Any other relevant information which will assist the Tribunal in arriving at a reasonable compensation fee.
- xi) The terms of the Contract offered by the player's current club.
- xii) Terms of the Contract offered by the new Club.

4.2.11 The amount of compensation for training and development determined by

the Tribunal will not be final and binding on all parties but will be subject to appeal.

4.2.12 Notwithstanding any of the Provisions of these Registration and Transfer Procedures a Non Amateur player who has completed his contract, who has reached thirty two (32) years of age and has provided his Club with not less than seven (7) Years of continuous service will be entitled to a **FREE TRANSFER**.

4.2.13 No club, official or player shall, except as provided in 4.2.5, directly or indirectly induce or attempt to induce a retained player of another club to leave the club for which he is registered.

4.2.14 If a player concludes a Contract with another Club and then subsequent to having signed such a Contract receives an offer of another contract from either his present Club or any other he shall decline such other offers and be bound to the Contract he has first signed.

4.3 AMATEUR PLAYER TRANSFERS

4.3.1 i) Unless otherwise stated herein an Amateur Player, registered with the Federation and a Club, is free to transfer to another club during the prescribed transfer period of the Federation **PROVIDED THAT** the Transfer Form lodged with the Federation bears the signature of the Club to which the player wishes to transfer, and also the signature of the Club with which he is currently registered.

ii) If the Club with which he is currently registered does not agree to sign the Transfer Form the Federation shall Transfer him after having first advised the player's current club in writing and only after a period of seven (7) days has elapsed since forwarding such notification to the players current club.

iii) The Club with whom the player is currently registered is entitled to seek payment of any outstanding Victorian Soccer Federation disciplinary fines which it may have incurred for which the player was directly responsible.

4.3.2 A Club wishing to engage the services of an Amateur player shall, before commencing any negotiations with that player, be obliged to inform his present club in writing of their interest.

4.3.3 Any direct or indirect negotiations with the player, whether oral or written, violating the foregoing obligation shall incur disciplinary measures as deemed appropriate by the Federation Tribunal.

4.3.4 If an Amateur player is transferred to another club as an Amateur his current club shall have no claim for compensation for his training and development. If however that player adopts a Non Amateur status within three (3) years of his leaving his former club, his former club shall be entitled to compensation for his training and development from the club with which he adopted Non Amateur status subject to the following:-

- i) That the player who adopts Non Amateur status shall have served not less than three (3) years of continuous service with his former club as an Amateur.

- 4.3.5 If a player with Amateur Status wishes to transfer to another club as a Non Amateur player his current club shall be entitled to compensation for his training and development provided that the player has provided his current club with not less than three (3) years continuous service as a player.

- 4.3.6 The amount of compensation shall be agreed upon between the two clubs involved.

If the two clubs cannot agree upon the amount of compensation then the provisions of regulations 4.2.8, 4.2.9 and 4.2.10 hereof will apply.

5. INTERSTATE CLEARANCES
